

Young Woman Competition

APPLICATIONS ARE NOW OPEN FOR THE
2024 MOREE SHOW YOUNG WOMAN OF
THE YEAR

The Land Sydney Royal AgShows NSW Young Woman Competition aims to find a young female ambassador for our local community who is passionate about the future of your Agricultural Shows and local rural issues.

The Moree Young Woman Competition aims to empower young women in our community. The program improves entrants public speaking, interpersonal skills and understanding of local, state and federal issues.

The Moree Young Woman Competition is open to women aged from 18 years to less than 26 years as at May in the year of the State Final. All entrants will assist with the judging of the Junior Young Woman, Pet Show, participate in the opening of the show and Grande Parade. All entrants are considered as ambassadors of the Moree Show, therefore it is a fantastic opportunity to network with likeminded young women in your area. This program provides a platform for young women to give voice and represent the community that they love.
